

Dear guests,

everything on our menu is freshly prepared every single day, so now and then it may happen that some dishes are already "sold out" during one evening. Please understand that waiting times for our burgers can take up to 45 minutes when Brooklyn is super packed. We put all our burger love into the products to serve you everything on point.

Everything homemade . Everything fresh. Thank you and have fun with us. Your Team from the BBB

Having partied all night and drunk way too many gin and tonics, we had an amazing idea out on the Williamsburg Bridge in New York: our own burger bar.

Three years and a lot of drinks later, we're ready to go! The Brooklyn Burger Bar is here – in a fantastic location, right in the heart of Hamburg.

So, why a burger bar? Because a burger can be so much more than the dry and tasteless fast food that we all know today. And we figure that the people of Hamburg deserve better ©

As such, your burger will be something very special. Everything homemade, everything fresh! Homemade burger buns, the best cheese, the freshest ingredients, and pasture-reared Frisian beef delivered twice a day from ethical farms. We don't use preservatives or flavor enhancers. And all relishes, sauces, and dips are made and bottled by us. It's a lot of work, but it more than pays off in terms of taste and quality.

Unless you tell us otherwise, your burger will be served medium. Almost all our burgers can be ordered as organic vegetarian version.

Having honed our skills over the last 14 years at the 3Freunde cocktail bar and the Streits Lounge, you're in for a treat if you're looking for something to quench your thirst: meticulously prepared drinks, both classics and new interpretations, that are regularly remixed with our own flair. Here, too, we only use the best ingredients.

There's a whole lot to discover here. Have fun! No sleep till Brooklyn! Jan, Steffen, and the BBB team

BBB · COCKTAILS ·

We had endless conversations with our bartenders, spent many long nights researching, studied books and cocktail blogs from all over the world in order to bring you the very best selection of new, classic, and updated drinks, as well as many creations of our own.

Our focus at the bar, too, is on homemade, high-quality, and natural ingredients. The syrups, foams, and infusions we use are all made by us on the premises.

We regularly switch out drinks on our menu, and offer seasonal and themed specials throughout the year. We can also make you any other drink you can think of, assuming we have the ingredients to hand.

Got an idea for a drink? Just ask at the bar!

Cheers, y'all!

Brooklyn 8,5

Spotted Fig 9

Rittenhouse Rye, lemon, BBB's allspice-syrup, fig puree, Ginger Ale & Angostura.

The days are getting colder and shorter. To match this cozy season we chose pimento and fig as the basis of this spicy-refreshing drink. With Rye Whiskey and Angostura-Bitters we get ready for cozy long autumn nights... it could be worse!

Pale Harbour 11

Jura Prophecy, Monkey Shoulder, Cherrry Heering, Carpano Antica Formula, fresh orange juice, East India Pale Ale

Our version of one of our most favourite classics, the "Blood & Sand". The Pale Harbour connects whiskey with craft beer in a smart & fruity way. Cheers.

Papi Chulo 10

Tequila blanco, lemon, pepper syrup, agave syrup, paprika

A lot of tequila, paprika, pepper, and lemon juice, similar to Betty's (Le Lion, Hamburg) drink "Pepper la Rita." It has a fruity note from the hint of raspberry vinegar. Trust us! It's fresher and lighter than you might think. This can be served with a piece of crispy fried bacon (as long as the kitchen is still open). Mmm ... ©

Flatbush Avenue Iced Tea 9

London Dry Gin, Orange Pekoe Tea, Orange, BBB's lemon syrup

In NY you walk. You walk a lot! So what do you need on the way? Right! A cold drink. Unfortunately you're not allowede to drink Alcohol on Ny streets so we filled up our coffee to go cups with a nice beverage and enjoyed our trip. ;-)

Our version of a pisco sour. Rum from the French West Indies supports the other flavors beautifully, with blueberries and coriander seeds lending the drink a special note.

Helbing Kümmel, lemon, sugar, fresh apple juice, egg white

Our local hero! This fresh combination of Helbing Kümmel, regional apples, lemon juice, and a dash of sugar is rocking the coast.

Moin. moin!

This distillery was founded in 1836. Eversince Helbing Kümmel is made in Hamburg City from the seeds of the caraway and cereal alcohol. THE "national drink" for all Hamburgers.

Rhabatini 2.0 9

Ketel One Vodka, lemon, vanilla syrup, rhubarb and tonka bean foam

The Rhabatini 1.0 was a bestseller at Streits. With 2.0 version, the tonka beans play a bigger role. We mix them with the rhubarb juice into a foam, which is poured over the drink. They say that tonka beans are an aphrodisiac. Try it yourself! ;-)
